10a Worship	5p Good Book: Acts	 <p>Do you enjoy singing? Here is your chance to be part of a combined choir! There will be a "Combined Choir Concert" on June 17. I will be bringing a "sign-up" sheet for those in our church who would like to sing with all the information provided about rehearsals, etc. I know that would be early since it's June but maybe people would like to begin to think about it and set aside the date.</p>
