Why we need Easter

No one is exempt from tragedy or disappointment — even God was not exempt. Jesus offered no immunity, no way *out* of the unfairness, but rather a way *through* it to the other side. Just as Good Friday demolished the instinctive belief that this life is supposed to be fair, Easter Sunday followed with its startling clue to the riddle of the universe. Out of the darkness, a bright light shone. ...

The cross of Christ may have overcome evil, but it did not overcome unfairness. For that, Easter is required, a bright clue that someday God will restore all physical reality to its proper place.
